

# Sutton School Update

6<sup>th</sup> March 2019

Spring 2 No.2

I'd just like to thank everyone for extending me such a warm welcome during my first week at Sutton. There was a real buzz in school and in the playground. I am very fortunate in being able to work in partnership with such a lovely school community.

During the mornings I have stood in the playground and greeted children with big beaming faces and parents as they have arrived. Please do introduce yourself; you'll recognise me from my bright coats! This week I have undertaken classroom visits to chat with the children and join in their activities – even setting them some challenges. I'm looking forward to getting to know them individually. Already I can see they have beautiful manners as they've held open doors and asked me how my day has been.

Thank you to those parents who have asked for clarification on the start of school timings and arrangements for entry into school. I'll follow this up and speak to the staff about how best they think we can approach it and get back to you in our next update. Meanwhile don't forget to come and say hello.

Interim Head teacher Mrs Yvonne Methley is available Monday, Wednesday and Friday and will be based at Bugthorpe.

I'm based at Sutton for continuity and you will find me in school on:

- Tuesday morning
- Thursday all day
- Friday afternoon

Mrs Joanna Rawling, Interim Headteacher.

Congratulations to Miss Banks.

We are delighted to share the news with you that Miss Banks is expecting her first baby in August 2019.

I'm sure you will join us in congratulating her and her partner on such wonderful news.

We will of course keep you fully up dated on our plans for covering both maternity leaves from September as we progress.

## WORLD BOOK DAY

What a super first assembly I had in school on Thursday led by our School Council.

They were well prepared with a PowerPoint and videos. Their presentation was clear and they projected their voices so we could all hear clearly.

All the children stood up and did a twirl in their P.J.s and we had a big reveal of a reading banner that all children contributed to.

We will hopefully get this up in the main corridor next week so if you get a minute do pop in to see it.

## Don't forget!

We will be growing the information online and ensuring that all letters are put on the school website so you'll be able to keep up to date.

Please do keep checking.
