

## Sports Week

Thank you to everyone who supported our school sports week. Both the children and staff had a fantastic time and it was wonderful to see our pupils challenging themselves, working as a team and having lots of fun.

We started our events off with Potted Sports where it was clear that the favourite activity was the one where the children got wet! Our older pupils were superb role models for our youngest children and everyone tried their best to earn points for their team. Green Geckos were the overall winners of the day.

Wimbledon was our next event seeing all the children competing in doubles activities. They really enjoyed being able to play tennis with their friends. Our winners were as follows:

j

Class 4: Fred, Freya and Jack

Class 3: Naomi and George

Class 2: Isla, George and Noah

Class 1: Nora and Harry

Thank you to the many families who joined us for our community competition in the afternoon - it was a real success! The matches were very close and lots of fun was had by all. The final saw Chester and his Grandad playing Isabel and her Dad with the Blythe family winning overall.

Thank you to Matt Ward from I Can Play Tennis for his huge support running these events.

Finally, the sun came out and we managed to hold our annual Sports Day. Thank you to the children who tried really hard in all of the races and to the many helpers who ensured the event ran smoothly. Our winners at the end of the event were Blue Whales.

The final scores at the end of all of the events were incredibly close - only 25 points divided the teams! Congratulations to Blue Whales who were our overall winners and a huge well done to all the pupils who were absolute stars throughout the events.
